

**Churches Together in Harrold and Carlton**

**CARLTON OPEN GARDENS  
& SCARECROW FESTIVAL**

**SUNDAY 7TH JUNE 2015**

**1.30 PM – 5.30 PM**

Would you be willing to open your garden to members of the public for one afternoon and/or make and display a scarecrow?

People love to browse all types of garden – large, small or any with particular interest such as bees, wildflowers, chickens, etc.

For the owners, it can be a very enjoyable and rewarding experience.

All profit from this event goes to local charities and to Churches Together. Please do consider opening your garden, with or without a scarecrow, or lending a hand on the day. Any offers of help will be greatly appreciated.
